Julie suggests providing an executive summary of the policy changes (one page). Provide a clean version for membership to read and review.

Suggest we provide changes in an executive summary along with a clean version. Consider whether we want to hold an interim meeting with the membership to get feedback from the membership before the annual meeting.

  - a. Membership renewal update – (Paul and John). Mike asks about status of potential members. There had been 18 members still outstanding. 4 renewed; 3 not renewing (out of business, time conflicts). 11 outstanding; Paul will follow up on them. Ann & Mike will help with some follow-up calls. Julie is following up with a couple other members whose renewal is outstanding.
  - b. New Members (Paul): No new members since last month.
  - c. Potential Members (Dave): Paul & Dave are splitting the potential list. They're trying email with follow-up phone call. Email includes benefits of joining. Paul suggests tapping into membership to get new member referrals. Julie's been checking the Friday Friends of Medway posts to gather another potential member list.
  - d. Paul & Dave will go through the town's DBA list to look for prospects.
6. Potential MHS Intern (Julie)
  - a. Social Media Updates: We have an intern from Medway HS (Bella Vallieres (sp?)). Julie will work with her to get her started.
  - b. #Shop Medway
  - c. Featured Business Updates
  - d. Paul asks if the intern can help Paul & Dave find updated email addresses for people on the prospect list; some emails are outdated & bouncing.
7. Financial
  - a. Treasurer's Report (J. Parrella) (report attached)
  - b. Account is updated with multiple signers.
8. Recommendations for new MBC Board or Committee Members: Who else would be good candidates to serve on the board? Make a personal ask; look for people who have specific skills they can share. Real estate groups in town have traditionally been good sources of leadership. It's more difficult to connect with them post-Covid because people aren't in their offices as much anymore.
